SUMMARY

Passionate and versatile designer with expertise in graphic design, product design, digital marketing, and front-end development. I focus on branding, blending creative vision with technical skills to deliver impactful digital art and cohesive brand experiences. Proven ability to drive measurable improvements in user engagement and business outcomes.

EXPERIENCE

- **Brand Specialist**

  Klik Investment PLC
  2025 – Present

  I currently serve as a Brand Specialist at Klik Investment PLC, where I am responsible for managing and strengthening the company's brand. My role includes developing brand strategies, enhancing brand image and awareness, supporting sales growth, analyzing market and consumer trends, creating integrated marketing campaigns, and ensuring consistent brand messaging across all communication channels.

- **Graphic Designer and Motion Graphics**

  Tamesol Communications
  2025

  I worked as a Graphic Designer and Motion Graphics Designer at Tamesol Communication, a company primarily focused on organizing events and expos held at the Addis Ababa Exhibition Center, including major events like the Addis Amet Expo and Fasika Expo.

- **Product Designer and Digital marketer**

  Droga Consulting / Droga Phrama
  2023

Focus on branding and design projects, and creating and executing visual identities for Droga Consulting Clients .Spearheaded multiple campaigns, boosting brand visibility and engagement.

- **Graphic Designer and Video Editor**
  Wizdan Online Shopping
  2019 – 2023

  Designed and managed visual content for online platforms, contributing to brand visibility on social media.

PROJECTS

- **The 2017 Fasika Expo at the Addis Ababa Exhibition Center**

was an incredible project that included digital assets, printable materials, screen ads, and stage design. We successfully executed all aspects of the project with excellence.

- **The 2018 New Year Expo at the Addis Ababa Exhibition Center**

This Is another remarkable milestone in our journey. This project not only challenged us creatively but also pushed our skills to a whole new level. From the initial concept to the final execution, every element was thoughtfully designed and meticulously crafted. It was more than just an event—it was a true piece of art that reflected our passion, dedication, and growth as a creative team.

- **EMA Coffee Branding**

Created a visual brand identity for EMA Coffee, focusing on luxury packaging and market positioning.

EDUCATION

- **Mattu University**
  BSc in Information Technology
  2012 - 2015
  CGPA: 3.68, Exit Exam: 56%
